FOR PRESIDENT,
JAMES A. GARFIELD,
Of Ohio.

FOR VICE PRESIDENT,
CHESTER A. ARTHUR,
Of New York.

The tariff a local question. Ha! ha! ha! ha!

The Southerners are importing coolies.

Remember Daggett and the School Law Bill.

To elect Garfield and Arthur Republicans must vote.

To unite the "Solid North" every Republican must vote.

To break up the "Solid South" every Republican must vote.

Nobody has heard of Hancock's views on Chinese immigration.

Garfield will carry every Northern State—and he ought to.

Let no Republican aid the Democrats to elect the U. S. Senator.

Don't forget to vote for McFarlin and Bragg for School Trustees.

Voters should be on their guard against false and malicious circulars.

Daggett has been true to his constituents. They should be true to him.

The Republican policy of protection is adverse to the importation of coolie labor.

On Wednesday, November 3d, the "Solid South," will become a dissolving view.

The Republican party is opposed to competition with European pauper labor.

The Republican Federal Courts have invariably refused to naturalize Chinamen.

The Republicans have wiped out over \$800,000,000 of debt created by a Democratic war.

Beatty is the poor man's candidate for Justice of the Supreme Court. All should vote for him.

McFarlin and Bragg are the proper persons for School Trustees. Be sure and vote for them.

Republicans of 1856-1880 voted for Fremont, Lincoln, Grant and Hayes, and now for Garfield.

The Democratic Legislature of Connecticut passed a resolution denouncing the Fifteen-Passenger bill as an infamy.

The rebel South will vote for Hancock to a man, and "he who dallies is a dastard, and he who doubts is damned."

The Republican platform declares that American labor must be favored. The Democratic platform demands the pauperization of labor.

The first Chinamen who ever held office in the United States is Tom Lee of New York. He was appointed by a Democratic Sheriff.

Let every Republican constitute himself a committee of one to come to the polls and bring his neighbor. Stand shoulder to shoulder.

The question now is simply one of majorities, provided always, over-confident Republicans do not remain away from the polls.

The appropriations in 1876, the last year the Republican party was in power in Congress, were \$147,714,940. In 1879 an economical Democratic Congress appropriated \$172,016,809, and the succeeding year \$162,404,647.

The name of the newspaper edited by the scoundrel who got up the forged letter in regard to Garfield's position on the Chinese question is Truth. How beautiful art thou, consistency. Truth to that fellow must be stranger than fiction.

One Northern Democrat voted with the solid body of Southern Secessionists to throw open the gates to treason and rebellion.

That one Northern Democrat ally of Southern treason was WILLIAM H. ENGLISH, of Indiana, the present Democratic candidate for Vice President.

TOPICS FOR TO-DAY.

We don't vote with Lee and Jackson. To be triumphant Republicans must vote.

Nevada gave Hayes 1,075 majority in 1876.

To beat the Democracy the Republicans must vote.

A Democratic Judge naturalized the first Chinaman ever admitted to citizenship in the United States.

Judge Sawyer, a Republican refused to naturalize Chinamen. Democratic Judges have never refused to grant them citizenship.

The Southerners will fill the South with coolies because they are tractable, and then they will try to confer citizenship upon them.

The New York Sun, the World and the Chicago Times, the leading Democratic papers of the nation, savagely denounced the Fifteen-Passenger bill.

"The crack of the driver's whip" will be heard in Washington after March 4th, but it will be the crack of the canal driver's whip, and not of the slave driver.

Rebel Joe Blackburn, who thanks God for a solid South, and says that "when we (the rebels) get in power, we will wipe out the army," will vote for Hancock.

Every traitor who shot bullets at Union soldiers in the late war, will vote for Hancock, and the loyal men who received them in their bodies, and who yet live will vote for Garfield.

The Republicans have raised the credit of the National Government in such a fashion that it is now easier to borrow money for 3 1/4 per cent than Buchanan could obtain it at 12 per cent.

Every black man in America who is allowed the privilege will vote for Garfield. Every hater of the black man, and lover of slavery and the institutions of the South will vote for Hancock.

Not by Wade Hampton.

"Consider what Lincoln and Sumner and Wilson and Seward would do were they alive. Consider what the thousands who died that the Union might live would do. Hear the cries that come up from Andersonville and Libby prisons. The principles for four years staked on battlefields are now the scales of the ballot."

The Way it Will Stand.

	Votes.
Hancock, old South.	138
Garfield, Solid Loyalty.	231

	Total
Garfield's majority.	369
Garfield's majority.	93

What Will Follow.

After Garfield's election will follow—Peace, Plenty, Prosperity, Permanence, Progress, Party Principle, Protection, Positiveness.

All who favor pensions to rebel soldiers, the payment of rebel war claims, the nullifying of the Constitutional Amendments, the placing of rebels in office, the displacement of Union soldiers and loyal citizens, the revolution of our monetary system, and the opening of our ports to free trade and competition with pauper labor will vote for Hancock.

"The recent movement of the Chinese to our Pacific coast is too much like an importation to be welcomed without restriction; too much like an invasion to be looked upon without solicitude."—Gen. Garfield.

General Garfield never has been beaten and never will be. This is God's country and he is taking care of it. Gen. Garfield is the right man in the right place. No change is necessary. So say the voters of Ohio, Indiana, Connecticut and New Jersey, and so will say the voters of New York, California, Nevada and Oregon.

The States that have been selected for the Democratic battleground to-day are New York with thirty-five electors, New Jersey with nine, and Nevada with three. These three States, if by any means they can carry them, will just give them the coveted forty-seven Northern Electoral votes. They will stop at nothing, whether legal or illegal, to win in them.

Let no loyal citizen of Reno imagine that he can be spared from the polls to-day. None can afford to be absent. The destiny of the Nation is in the scales. Let the weight of your ballots preserve it in its "majesty, dominion and power."

FAIR VS. BEATTY.—The sack which Fair is turning loose over the State to beat the Legislative ticket is also directed against Judge Beatty. This is because of Beatty's decision on the Bullion Tax question, which was sustained by the Supreme Court of the United States. Let voters in favor of an incorruptible judiciary; remember this.—[Carson Appeal.

"Garfield is one of the most SINCERE and HONORABLE men I ever knew in public."—[Hon. Randolph Tucker, of Virginia.

OUR TICKET.

A BRIEF REVIEW OF THE REPUBLICAN NOMINEES.

The State, County and Township.

Garfield and Arthur are the names justly entitled to head the Republican ticket, the names of our Electors being R. H. Taylor, O. H. Gray, E. A. Morton.

W. H. BEATTY

Is the Republican nominee for Justice of the Supreme Court. His record in the past is the best guarantee of his future conduct. A pure man; an upright Judge, he is the one the people should delight to honor. He is a credit to the Bench.

R. M. DAGGETT

Deserves to be re-elected to Congress. He has been the best and brightest Representative the State has ever had. The one term he has been there has made him acquainted with the members and given him an insight into the manner in which business is conducted. To change him off now for a new man would be of detriment to the best interests of the State.

THE COUNTY TICKET.

The ticket nominated by the Republican County Convention is one of the very best ever presented. This was to have been expected, from the character of the men composing the Convention, who were nearly all intelligent citizens and large taxpayers, and it was reasonable to surmise that the candidates would be men well qualified to discharge the duties of the respective stations, fair representatives of the principles of the party, and calculated to be worthy of the suffrages of the voters.

LEGISLATIVE.

For State Senator we have Dr. Alson Dawson, the peer in character and intelligence of any man in the county. The Dr. is not only a gentleman, but an educated gentleman, and in the State Senate would at once assume and maintain a leading position. He would be a credit to the county. The best interests of the Republican party and Washoe county demand his election.

Frank Bell will make an excellent Assemblyman. A careful reader and thinker is Frank, and he is as familiar with State affairs as anybody; understands fully the needs and requirements of Washoe and will work for us like a beaver. Mr. Bell is well known all over the State, and by reason of his extended acquaintance will be enabled to wield more influence than one who is a perfect stranger. There will not be a better man in the Legislature than Frank Bell.

Pete Marker is also a first-class man for the Assembly, and his nomination was a deserving tribute to him not only as a man, but in recognition of his services to his party and his county. Pete has always spent his time and put up his money for any and every thing which would benefit this county. He is a live business man, as is attested by the successful manner in which he has managed the large undertakings in which he has been so frequently engaged. He is a true man, and being one of our largest taxpayers will be certain to work for whatever he considers will be best for the people.

Tom Herman, of Wadsworth, is an old and respected citizen, and the people can rely upon his doing exactly right. He has served the people before and they know him thoroughly.

These four men are all possessed of good judgment and positive convictions and working together, as they will, will be able to accomplish considerable good for Washoe county.

FOR SHERIFF.

Mr. A. K. Lamb is the Republican nominee for Sheriff. Through an unfortunate combination of affairs he was defeated at the election in 1878. A large number of men who voted against him then now intend to support him, and our belief is that he will be the next Sheriff of Washoe county. He is familiar with the duties of the office, and things will go on under him just like clockwork. The Republicans are in a majority in this county, and the Sheriff's office is one of more or less political power and no matter how much or how little there is in it, it should be wielded by the dominant party. Therefore should Lamb be elected.

FOR COUNTY CLERK.

The Republican nominee for County Clerk ought to be and will be elected. He is emphatically a Washoe county boy, having lived here since he was 11 years of age, he now being 28, and during all that time he has lived an honest, upright life. He is a young man worthy of every confidence; a boy who appreciates the honor conferred upon him by the Republican Convention, and if elected by the people, will show by his acts that he was deserving of it. He is as competent to perform the duties of Clerk as anybody we know of, and we feel satisfied that if the people once put him in that office it will be a long time before they will remove him.

FOR ASSESSOR.

W. F. Everett was complimented with a renomination for Assessor by the Republican County Convention. Mr. Everett's experience in that office during the past two years will enable him to

perform the work better in the next two years, for he is now familiar with the property of the county and its value, and can therefore make a fair, impartial assessment. He has been prompt in the past, and will do his utmost to give satisfaction in the future.

LONG TERM COMMISSIONER.

Though a few dissatisfied malcontents desired to shelve him, the Republican Convention renominated Tom Hymers for Commissioner by a large vote. He may have made a few mistakes, but take it all in all, and Washoe county has never had a better Commissioner than Tom Hymers, and we know the temper of this people too well not to know that he will be re-elected by a large majority, for now that we will soon be working under the Salary Bill, his services will be of more value to the taxpayers than ever.

SHORT TERM COMMISSIONER.

Nat Holmes, of Franktown, is the Republican nominee for short term Commissioner. There are but few people in this county who do not know Nat. He has lived here since the flood; has held office before, and possesses in an eminent degree those qualities which fit a man to be a County Father.

FOR RECORDER.

T. F. Laycock will make a good Recorder, and if Republicans will give him their support, as they should, he will be the next occupant of that office. He has the necessary qualifications to discharge the duties of that office, and if elected, will strive with might and main to please his constituents. A Union soldier, he is entitled to consideration; a good penman and first-class accountant, makes him eligible; a true-blue Republican, his party ought to stay with him.

TREASURER.

Dan Boyd gave the people and his party so much satisfaction that the Convention nominated him by acclamation, a deserved compliment to a faithful officer. Dan just fills this Treasurer's office to a T, and he will have no trouble in giving a bond when he takes the position for a second term, which he will surely do on the first Monday in January.

DISTRICT ATTORNEY.

Tom Julien, the Republican candidate for District Attorney, is in every respect deserving of the suffrages of the voters of Washoe county. He was District Attorney of Humboldt county for one term, and made a most efficient officer. He is a true blue Republican.

SURVEYOR.

J. D. Parks, the nominee for Surveyor, is perfectly competent to discharge the duties of that office. There is not much to do, but what little there is will be well done by Parks.

SUPT. OF SCHOOLS.

We know of no one in the county we would rather see Co. Supt. of Schools, than W. R. Jenvey, who loves the common school system as the apple of his eye, and although a clergyman, will never allow anything savoring of sectarianism to influence his administration. Mr. Jenvey is also a practical teacher, another very important consideration. He will take delight in faithfully discharging the duties pertaining to this office.

PUBLIC ADMINISTRATOR.

Billy Dickens will make an efficient and honest Public Administrator, and any estates left in his charge will be economically administered. The people can rely upon this important office being run in the right channel by W. H. Dickens.

TOWNSHIP NOMINEES.

The Republican nominees for Judge and Constable of Reno Township are W. H. Young and R. Nash. Judge Young has made a good Justice, and we believe that the interests of the public have been carefully looked out for by him. We hope that he will be re-elected. Richard Nash is well qualified for the office of Constable. He was formerly Sheriff of Humboldt county, is a man of family, and morally, without reproach. He is a true-blue Republican, and deserves the vote of every member of his party.

Republicans, Up!

The Republicans of Washoe should stand up to-day and show Mr. Drexler of Virginia City, that he is not needed to direct the political affairs of this county! Every true-blue Republican should work at the polls to-day, and by personal efforts and individual exertions show that the "Fair sack" is not big enough to wipe out the Republican vote of Reno or Washoe county.

Orange School Report.

The following is the report of the Glendale school for the month of October: Melissa Blasdel, 96; Emma Dean, 78; Addie Denning, 98; Mary Klippe, 95; Mary Mellon, 98; Pearly Steele, 89; Pinky Steele, 100; Sarah Steele, 88; Vesta Rice, 100; John Klippe, 91; Eddie Mellon, 84; Bertie Sessions, 92; Louis Sessions, 88; James Steele, 93; James Stephens, 100; Willie Williams, 98; Orant Rice, 97.

I did not attempt to mark closely, particularly in the case of small pupils and those enrolled but a small part of the month.

H. S. TOWNSEND, Teacher.

Ghostly Pranks.

Sunday night was All Hallow E'en, or Witches Night. In Reno the hobgoblins were out in force and many were the uncanny pranks played. Gates wandered off to unseemly places, signs made startling announcements in unusual places, and altogether the whole town seemed out of joint. Many and deep were the prayers which were said as the terrestrial denizens undid the mischief of the spooks.

Tramp Killed.

A tramp was run over and killed by C. P. train No. 8, a few miles east of Wadsworth yesterday morning. Coroner Jones informs us that the man's name was Frank, and that he is supposed to have a mother living at Redding, Cal. On his right arm was stamped in India ink the head and shoulders of a woman.

Happy Smith.

It is almost immaterial to A. A. Smith who is elected President to-day. He is happier than he ever expected to be, and all because an event occurred at his house on Sunday which had a more important bearing on his destiny than anything known heretofore. It is a boy, and we hope and trust the little fellow will grow to be an honor to the Smith family.

Election Returns.

We hope that friends in each election precinct will take the trouble to send the returns to this office as soon as counted.

Mrs. Jos. Beemer and her three children were drowned in Lake Michigan on the 22d ult, through the wrecking of the steamer Alpena. She was a sister-in-law to S. Beemer, of Reno.

The saloons will have to close to-day. But it is not unlikely, however, that there will be quite a number of drunken men all the same.

J. C. Hagerman has just placed in position in his store a fine Fairbanks scale.

C. A. Lee is sinking an artesian well at Franktown.

The banks will be closed to-day.

The Night Before the Battle.

The opposing political parties endeavored to make a grand impression last evening: The Republicans carried off the honors. They had a torchlight procession and the band, while Democracy had to be contented with a fire and drum. The Repubs. also had the largest audience at their meeting, the great Pavilion being well filled. Rattling speeches were made by Boardman, Cain, Fulton, Julian and others. There was a fair audience at the Theater, where Knox and others made good speeches.

Get Out Every Vote.

If every Republican does his duty to-day, Nevada will give Garfield and Arthur from seven hundred to one thousand majority. Let everybody work till night, and victory will cheer our hearts. Give your time to the Republican cause.

GARFIELD AND THE LADIES.

The Influence of Women Upon the National Life.

A delegation of about 900 ladies of Cleveland and intermediate places went to Mentor Wednesday and called on General Garfield, who, in response to the usual introductory address, spoke as follows:

Mrs. Martin and Ladies of Cleveland: I am glad to receive such a greeting as this tendered by your presence and by the words of your Chairman. It seems to me, as I look upon this assemblage, that there could be no such scene as this in any but a free country, and for this reason, that in all monarchical nations the governing power does the governing itself. Our fathers reversed that order, and the real governing power in this country never does the actual work of government, but causes it to be done by agents and servants. The governing power stays at home and sends its servants to do the work of government. During our late war there were three great forces—the army that fought, those who paid and supplied the army and the people at home, still closer to the sovereign heart, who inspired both the payers and the fighters to execute the nation's will. That third and inner line was the home line, on which all the patriotic women of America labored and loved and gave their best inspiration to the nation in its hour of peril. So in all other great public work, those who go down to execute the nation's will, are only its servants. The will of the nation resides in the hearts and homes and by the firesides of 50,000,000 of people; and there, by the hearthstone, nearest to the heart of our sovereign people, is woman's great and beneficent power to impress itself upon the national will. I greet you for having brought the spirit of home to my home, the spirit of so many American homes to cheer, strengthen and inspire whatever of national life and force there may be in this home; which is only one of millions. Ladies, this unique exhibition of the American spirit, this spirit which inspired our soldiers while fighting, secured them in sickness and consoled them in dying, I say this exhibition to-day is but another manifestation of the growing power of home upon the American life, and for it and all that it means I thank you with all my heart. I shall be glad to present you to my family. Mrs. Garfield wishes to greet every one of you.

Elko County.

Of the political situation in Elko county, the Tuscarora Times-Review has the following:

As the election day draws near, both the Republican and Democratic parties in this end of the county are doing their level best for their respective tickets. It is realized by everybody, that no candidate before the people has a walk-over. Not much talk is being done, but a deal of hard work. While there will doubtless be some scratching on both sides, the vote this year will be much nearer partisan than it was two years ago. Particularly will this be the case as regards the legislative tickets. Taking the result of the legislative vote as a standard, it is predicted by well informed politicians that there will not be a difference between the Republican and Democratic vote in the county of twenty-five. Both tickets are considered strong, and whether any sacks are brought into the contest or not, we believe that each will poll its full party strength. The candidacy of Hon. Thomas Wren for the United States Senate, and the published statement, by authority, that Mr. Mayhugh the head of the Republican legislative ticket has declared for him, will secure many votes for the Republican nominees, which they would not receive had they come out for Sharon. It is going to be one of the closest fights ever made in the county, from present indications.

"I will tell you whom I think the Republicans should nominate, and whom I think is their strongest man; HE IS A TRUE MAN, A MAN OF PRINCIPLE, AN HONEST MAN, and would make a good President for us all. Personally I consider him the best man you could nominate. I refer to General James A. Garfield, of Ohio." —Thomas A. Hendricks just before the Chicago Convention.

"GENERAL GARFIELD, of Ohio, is a Republican of Republicans, but it is his simple due, which we gladly pay him, to admit that HE HAS DONE MORE THAN ANY SINGLE MEMBER OF HIS PARTY to show that it is not impossible for a man to act with a Congressional majority, and yet to KEEP HIS SELF RESPECT, AND THE RESPECT OF HONEST MEN." —(New York World (Dem.) before Garfield was a candidate.

The first thing for the Republicans to do is to elect a Republican Legislature.

There will be enough members there to defeat Sharon. Of that, we have not the slightest doubt.

Tom Hymers is too good a Commissioner to lose. His experience fits him for the position, and the interests of the taxpayers will be carefully guarded.

T. F. Laycock, the Republican candidate, possesses every qualification to make a good Recorder. He was a Union soldier, and don't you forget it.

Coughs—"Brown's Bronchial Troches" are used with advantage to alleviate COUGHS, SORE THROATS, HOARSENESS and BRONCHIAL AFFECTIONS. For thirty years these Troches have been in use, with annually increasing favor. They are not new and untried, but, having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few simple remedies of the age. sep14-dkw-1f

THE THROAT—"Brown's Bronchial Troches" act directly on the organs of the voice. They have an extraordinary effect in all disorders of the Throat and Larynx, restoring a healthy tone when relaxed, either from cold or over-exertion of the voice, and produce a clear and distinct enunciation. Speakers and Singers find the Troches useful. sep14-dkw-1f

A COUGH, COLIC, CATARRH or SORE THROAT requires immediate attention, as neglect oftentimes results in some incurable Lung Disease. "Brown's Bronchial Troches" will almost invariably give relief. Imitations are offered for sale, many of which are injurious. The genuine "Brown's Bronchial Troches" are sold only in boxes. sep14-dkw-1f

THE GENUINE DR. C. McLANE'S LIVER PILLS

are not recommended as a remedy "for all the ills that flesh is heir to," but in affections of the Liver, and in all Bilious Complaints, Dyspepsia, and Sick Headache, or diseases of that character, they stand without a rival.

ACUE AND FEVER. No better cathartic can be used preparatory to, or after taking quinine. As a simple purgative they are unequalled.

BEWARE OF IMITATIONS. The genuine are never sugar-coated. Each box has a red wax seal on the lid, with the impression, McLANE'S LIVER PILLS. Each wrapper bears the signature of C. McLANE and FLEMING BROS.

Insist upon having the genuine DR. C. McLANE'S LIVER PILLS, prepared by FLEMING BROS., Pittsburgh, Pa., the market being full of imitations of the name McLane, spelled differently but same pronunciation.

UNLIKE PILLS, IS PLEASANT TO TAKE,

And the Usual Purgatives. And will prove at once the most potent and harmless System Renovator and Cleanser that has yet been brought to public notice. For Constipation, Biliousness, Headache, Piles, and all disorders arising from an obstructed state of the system, it is incomparably the best cathartic extant.

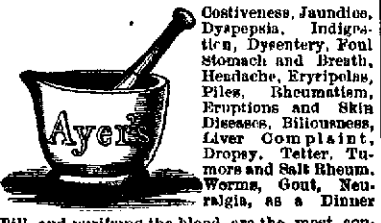

TROPIC-FRUIT LAXATIVE is sold by druggists at 50 cents a box, or mailed on receipt of price (in currency or stamps) by the proprietor. Descriptive Book free. Address J. E. HETHERINGTON, NEW YORK OR SAN FRANCISCO.

Costiveness, Jaundice, Dropsy, Indigestion, Dysentery, Piles, Stomach and Bowel Disorders, Headache, Erysipelas, Piles, Rheumatism, Eruptions and Skin Diseases, Biliousness, Liver Complaint, Dropsy, Tetters, Tumors, and Salt Rheum. Worms, Croup, Croup, Whooping Cough, Hoarseness, as a Diuretic. Fill, and purifying the blood, are the most complete purgative ever perfected. Their effects abundantly show how much they excel all other Pills. They are safe and pleasant to take, but powerful to cure. They purge out the foul humors of the blood; they stimulate the sluggish or disordered organs into action; and they impart health and tone to the whole being. They cure not only the every day complaints of everybody, but formidable and dangerous diseases. Most skillful physicians, most eminent clergymen, and our best citizens, send certificates of cures performed, and of great benefits derived from these Pills. They are the safest and best physic for children, because mild as well as effective. Being sugar coated, they are easy to take; and being purely vegetable, they are entirely harmless.

If you go to the right place to get them. This is a mighty important thing for some people who assert that they sell cheap do nothing of the sort. They do not boast when we say that we defy competition in prices in anything we sell. Besides this we have only one price. We have no preferred customers. Every body is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of the State. Everything we have is new. It is old, musty and out-of-date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand at sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices and examine our stock before they buy. Those humbugging, Cheap John shops, in which they drum into the ears of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. We make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of deceiving the public. We must make a profit to live. We particularly call attention to our full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods forms one of our specialties. HALL'S BALSAM

Croup, Colds, Pneumonia, Bronchitis, Asthma, Whooping Cough, and all diseases of the Breathing Organs. It soothes and heals the membrane of the Lungs, inflamed and poisoned by the disease, and prevents the inflammation and tightness across the chest which accompany it. CONSUMPTION is not an incurable malady. It is only necessary to have the right remedy, and HALL'S BALSAM is that remedy. DON'T TAKE OF OTHERS, but for this benign specific will cure you, even though professional skill fails.

Dr. M. H. Hines.
Kewanee, Ill., advises us of a remarkable cure of Consumption. He says: "A neighbor's wife was attacked with violent cough, and pronounced beyond help from the doctor. As a last resort the family was persuaded to try HALL'S BALSAM. To the relief of all, by the time she had used several dozen bottles she was about the house doing her own work. I saw her at her worst stage, and had no idea she could recover."

Resolutions Adopted by the Re-

Resolved, That the platform of principles

adopted by the National Republican Convention

at Chicago in June deserves and receives the

approval and hearty endorsement of all Repub-

licans of Nevada.

Resolved, That the borders of Chinese that are

coming in upon our shores to eat our substance

are destroying our country, impoverishing our

mines, miners and laborers, debauching our

youth and making both men and women lower

in the scale of humanity. This evil must and

shall be stopped, and to this end we pledge the

entire strength of the Republican party. In the

language of our great leader, we regard the im-

migration of Asiatic labor as a perilous in-

vasion, and a serious danger to the Republic.

Resolved, That we will heartily endorse the

general financial policy of the Republican party,

which, in spite of every opposition on the

part of the Democracy, has led to the resump-

tion of specie payments, the raising of our Na-

tional credit to the highest level known, and

the restoration of National prosperity. But we

also demand the complete restoration of

silver coin to its former position by the side of

gold, and for the purpose of attaining that end

we hold it to be the duty of the United States

Government to issue and circulate, in addition

to the gold coin now in circulation, one and one-

half dollar coins of silver, and to take of

silver bullion in foreign markets. As mining

for the precious metals is the leading industry of

Nevada, we are indelibly opposed to the bill

reported by the Committee on Mines and Mining

prohibiting the following of surface veins or
